- a thorough induction process
- a system of regular appraisals and reviews
- opportunities for training and professional development.

We also keep an up to date record of staff qualifications and maintain a training development plan.

#### **Appraisals and reviews**

The Manager will hold an annual appraisal meeting with individual staff. The appraisal will reflect on progress and challenges over the previous year and identify current knowledge and skills, areas for future development and potential training needs.

The Manager will hold quarterly reviews with staff to monitor their professional development and their progress with regards to the targets set, and issues raised, during their annual appraisals.

#### **Training**

The Manager will identify and promote suitable training courses for staff so that they can expand their professional development and keep their knowledge of childcare and play work issues up to date. Staff are expected to attend training courses as and when requested by the Manager.

### Staff Meetings

Staff meetings provide a forum in which staff can share information, solve problems and raise work issues. Staff meetings are held every half-term.
