

The Cabin Crew Out of School Club Healthy Eating Policy

The Cabin Crew Out of School Club provides healthy, nutritious and balanced food and drinks. Food and drink are safely prepared with regard to the dietary and religious requirements of the children in our care.

We ask parents to notify us regarding any special dietary requirements or allergies when they register their child, and are asked to complete a 'Dietary Requirements' form. This information is passed to the Catering Assistant and stored in the Catering Folder. Information regarding food allergies is recorded on 'Allergy' cards within the catering folder, which is visible to staff whilst food is being prepared.
